

## BRIEF INTRO OF FIYAVALHU

In the subcontinent of the southwest of India lies one of the most outrageously beautiful island nations in the world, Maldives. Unashamed of its natural and geographical settings, the islands are scattered like ivory pearls, where one would leave a Fiyavalhu - a footprint, for a moment in time.

On this natural paradise amongst lush green vegetation on the inhabited peaceful island of Mandhoo in South Ari Atoll, Fiyavalhu Resort Maldives awaits to welcome you.

Fiyavalhu Resort Maldives offers an all island experience that encompasses comfortable living spaces in a natural and private alcove of Mandhoo. The design takes into consideration the sublime surroundings of the beautiful environment of the island and the simple Maldivian lifestyle.

The 44 Villa Resort in Mandhoo Island is an integrated Resort with local Island, the first of its kind in Maldives.
